## Gurnoor Kaur Therapy Assistant

**Gurnoor** has a Bachelor of Psychology at Macquarie University with a passion for mental health and wellbeing. Throughout her studies Gurnoor took on a variety of mentoring opportunities including School Prefect, Peer Support Leader and Bollywood Dance Coordinator which involved peers from all grades.

She has worked as an intake officer in a psychology practice and has spent a lot of her youth babysitting for family members, as well as informally supervising some speech and occupational therapy sessions of children within her family.

Gurnoor plans on undertaking her Honours year in 2024, followed by pursuing a Master's in Educational and Developmental Psychology, a field she has taken an affinity to. She hopes to build a career working with children and adolescents, with a special interest in working with the South Asian community being of Indian descent herself.

Gurnoor loves working with children and adolescents and understands the complexities and challenges that can come with it. She brings kindness and empathy to all situations and is always open to learning new things. She is open-minded, outgoing and has an overall bubbly personality. Gurnoor is an animal lover, with a pet dog of her own. In her spare time, she is an avid reader, dancer, and beauty fanatic! She can speak English, Punjabi, Urdu and Hindi.
