PROFESSIONAL PROFILE

Hye In Kim

Art Therapist

Hye in Kim is a registered Art Therapist, accredited Counsellor, and Victims of Crimes Counsellor, that's studied and trained at Western Sydney University and is a local artist. She was an experienced art teacher in Korea for 15 years and has worked in Australia within the disability sector for the past 5 years running art programs for children, adolescents, and adults.

Providing play-based art therapy for children, pursuing a person-centered and strength-based approach and supports the individual's overall development so they can reach their full potential.

Hye In has an excellent understanding of the NDIS framework and can assist families with – NDIS case management, preplanning, and support coordination.

Art therapy is a great medium to help children & adolescents with:

1. Physical development - improved motor skills and control, hand-eye coordination, and muscle development.
2. Emotional development - self-regulation, sensory stimulation, developing self-esteem, identity one's emotion and expressing them in a visual way.
3. Cognitive development - imaginative play, self-awareness, problem solving, cause and effect, choice and consequences, symbols and how to interpret, various experience through various materials, learning art technique.

P: 02 9981 3003 F: +61 2 9981 1948 E: info@thinkahead.com.au
